Q.11. Read the passage carefully and answer the questions given at the end.

Pakistan is blessed with several natural beauties including indigenous wildlife, beautiful mountains of Himalayas, deserts of Cholistan and Thar, Manmade forests like Changa Manga forest as well as several natural resources from the Balochistan trails. It also holds second tallest mountain K-2, which is a really challenging tourist attraction in terms of mountain climbing. Four seasons bloom each year to their fullest, and average rain fall of 12-14 inches per year leads to make Pakistan a very fertile agricultural land. But despite its enormous beauty, a number of animal and plant species are threatened or endangered due to over-exploitation and loss of natural habitat.

- QUESTIONS: i. Name any two natural features of Pakistan mentioned in the passage 1
- ii. Why is K-2 an important tourist attraction? 1
- iii. How do seasons and rainfall help agriculture in Pakistan? 1
- iv. What problem is faced by animal and plant species? 1
- v. What is the main reason for the loss of wildlife mentioned in the passage? 1
